

Annex
to the Regulations for awarding Internship under the project „Internationalization of the Doctoral School of Lublin University of Technology – IDEaS of LUT” funded by the National Agency for Academic Exchange (NAWA) as part of the STER program – Internationalization of Doctoral Schools for doctoral students of the Lublin University of Technology Doctoral School.

This Annex gives new wording to the 1st paragraph point 6:

§ 1.

6. As part of the IDEaS of LUT project, recruitment is planned for the following IDEaS internships in 2024 year:

- 6 one-month internships carried out in Constantine the Philosopher University in Nitra (UKF) Slovakia or Slovak University of Technology in Bratislava (STU) Slovakia or Czech Technical University in Prague (CTU), Czech Republic or University of Pisa (UNIP), Italy
- 6 three-month internships carried out in UKF or STU or CTU or UNIP.

In justified cases it will be possible to carry out the internship in scientific centres from outside the list after having obtained the approval from NAWA, which will be requested by the Project Management Team.

This Annex enters into force on the day of signing by the Project Manager IDEaS of LUT.
